

UU Catskills Child Care Policy

Adopted May 20, 2013, rev. 6/19

Childcare can be provided for all meetings where parents of children age 18 months-9 years old will attend. Committee chairs are responsible to make this known to the parents and parents are responsible to request childcare. The committee chair will arrange the two childcare workers and payment. RE will provide a list of workers to choose from and the hourly rate to be paid from each committee's budget.

All childcare workers will be least 13 years old. All child care workers over 18 years old shall have a back ground check. It is not necessary to have two workers when the care is provided in the same room as the meeting.

Cancellation notice: If the expected children do not come the worker will still be paid for 1 1/2 hours of work unless they were notified at least 36 hours before.
