

## **Gift Policy**

Amended and approved by the Board of Trustees 5/14, rev. 6/19

Gifts beyond pledges to the Operating and Capital Budgets provide ways in which members and friends of the congregation can enhance congregational life at UU Catskills. Gifts should not cause the congregation to incur additional expense nor be made in lieu of fulfilling pledge commitments.

Unrestricted monetary gifts will always be accepted.

Gifts of stock, real property, art, furniture, and other items of value may be held, sold, exchanged or refused at the Board's discretion with input from a committee when relevant.

Any gifts from outside the congregaion will be subject to the same restrictions.
