

Minister's Discretionary Fund Policy

Revised and approved by the Board of Trustees 11/13 rev. 6/19

UU Catskills establishes a discretionary fund and gives the minister the discretion to distribute it only for the specified purpose of aiding its members and friends who are in need. The minister is prohibited from making distributions to themselves and their family. The Board of Trustees will receive a monthly report regarding distributions, without any specific details of the recipient(s), prepared by the minister and included in their monthly report. The Treasurer will report annually on income and distribution to ensure consistency with the UUC's tax-exempt purposes.
