

Policy for the Movable Letter Road Sign  
December 14, 2015, rev. 6/19

The default message on the sign is:

Title of the Sunday Service  
(Children's Programs)  
10:30 AM  
Black Lives Matter (until permanent sign installation)

Members of UU Catskills may add additional language to advertise UUC events which are open to the public, including Theater Sounds, Spoken Word, Folk Guild, UUC fundraisers, and other UUC events. It is the responsibility of the member making the change to return it to the default message.

The sign must be returned to the default message within 24 hours of the end of an event, if possible.
